1. Awareness Programme on Fire Accident

07.03.2026

Report on Fire Safety Awareness Programme

Location: KTS Government Degree College

Date of Event: 2nd March 2026

Organized by: Local Fire Department

Introduction

A comprehensive Fire Safety Awareness and Demonstration programme was held at KTS Government Degree College on 7th March 2026. Organized by the local Fire Department, the event aimed to equip students with the practical skills and confidence needed to handle fire-related emergencies.

Practical Demonstrations

The Fire Department personnel conducted live drills focusing on high-risk scenarios commonly encountered in daily life. Key demonstrations included:

Gas Cylinder Safety: Techniques to safely extinguish flames from a leaking regulator or hose.

Vehicle Fire Management: Immediate steps to take if a vehicle bursts into flames.

General Fire Suppression: How to use fire extinguishers and "smothering" methods for domestic fires.

ప్రతి క్షణం.. మి కోసం

అగ్ని ప్రమాదాల నివారణపై విస్తృత అవగాహన..

అగ్ని ప్రమాదాలు జరిగినప్పుడు ఏ విధంగా బయటపడాలో విద్యార్థులకు ఫైర్ సిబ్బంది విస్తృత అవగాహన కల్పించారు. రాయదుర్గం కే టి ఎస్ ప్రభుత్వ డిగ్రీ కళాశాలలో ఎస్సీ, ఎస్ఎస్ఎస్ విభాగాల సంయుక్త ఆధ్వర్యంలో అగ్ని ప్రమాదాలపై అవగాహన కల్పించారు. ఇంట్లో అనుకోకుండా అగ్ని ప్రమాదాలు చోటుచేసుకున్నప్పుడు సమయస్ఫూర్తితో ఏ విధంగా బయటపడాలో ఫైర్ సిబ్బంది, శ్రీనివాసులు, ఫైర్ సిబ్బంది అధికారులు సూచనలు అందించారు.

Expert Advice

The officials emphasized the importance of remaining calm during an accident. They insisted that panic often leads to more injuries than the fire itself and encouraged everyone to learn basic fire-fighting skills, as early intervention can prevent major disasters.

Principal's Address

The Principal highlighted the social responsibility of the students. He stated that gaining this awareness is essential not just for personal safety, but so that students can act as educators for their families in rural villages, where professional help may not be immediately available.

Conclusion

The programme concluded with an interactive session where students practiced handling safety equipment. The event was highly successful in transforming fear into proactive awareness.

2. International Women's Day 08.03.2026

International Women's Day celebrated on 7th March 2026 at K.T.S Government Degree College, Rayadurg with great enthusiasm. The program was addressed by the Principal, Vice Principal, Women Empowerment Cell Convenor, NSS Programme Officer, and the Chief Guest Mrs. Renuka, Advocate. **The Principal Dr S Sreenivasulu** stated that women today are achieving success in every field through their dedication and hard work. He encouraged the students to stay focused on their goals and assured them that success can be achieved through determination and perseverance. **The Vice Principal Dr K. Lakshminarayana** highlighted that women are an important pillar of society. He emphasized that every man is born from a woman and that women possess immense strength and courage to overcome challenges and contribute positively to society.

The Women Empowerment Cell Convenor, **Mrs. H Fareesa, Firdose** explained that days like International Women’s Day are celebrated to recognize the strength, courage, and achievements of women in all fields. She advised students to set clear goals and achieve them with commitment. She also emphasized that education is the most valuable asset and encouraged students to utilize it effectively and support other women in society. She spoke about the 2026 theme “Give to Gain,” explaining that when society provides opportunities to women, they gain confidence and achieve success. She cited examples of inspiring women like Indira Gandhi and Kalpana Chawla. The NSS Programme Officer **Mr D Narayana** motivated students by stating that women should develop courage and self-confidence and should never fear challenges in life.

The Chief Guest, **Mrs. Renuka, Advocate**, spoke about the importance of moral values and legal awareness among women. She advised students to understand and use laws properly and responsibly, without misusing them. She emphasized that women are capable of achieving anything with determination and integrity.

INTRODUCTION:

We reached their along with students and staff as a team, we met the in charge of the old-age home on 13 March 2026 at 11.30 am and discussed several things such as providing nutritious food supplements, fruits and cloths which are to be needed he said. In a discussion he took our team to the school each and everyone introduce to us and in same way we also interacted. what are the sufferings they faced. There we noticed their agony, and after their intraction with us. They felt very much happy. Whie visiting the school, students gave their response that they decided to provide nutritious in the form of fruits and nuts.

While interaction by the students that they are noticed their feelings and felt to give support. Later in a discussion with the students discussed and decided to provide the needful things. Later on, he gave us brief introduction about the challenged school.

5. FDP by CCE for all faculty on AI

The Commissionerate of Collegiate Education has initiated a 15-day online Faculty Development Programme (FDP) on Artificial Intelligence for the benefit of students in the second semester.

The Government of Andhra Pradesh has introduced this course as part of the Skill Development Curriculum for the academic year 2025–26. In this regard, all lecturers are requested to undergo the training sincerely and attend all the sessions without fail, so as to effectively deliver the course and ensure maximum benefit to the students.

7. Adventure Camp Selection by NCC 16.03.2026

A NCC cadet, **Gautham Raj**, has demonstrated excellence in adventure climbing.

He was selected to participate in an **Adventure Climbing Camp organized near Ooty, Tamil Nadu**, where he performed exceptionally well and brought recognition to the college.

On this occasion, the **Principal and staff members** of the college congratulated Gautham Raj for his outstanding achievement. They appreciated his dedication, courage, and discipline, and encouraged him to continue striving for higher accomplishments in the future.

This achievement serves as an inspiration to other students to actively participate in NCC activities and develop their skills in adventure and leadership.

9. Learn from the Leader by Eagle Team 23.03.2026

On March 23, 2026, the **Eagle Department** conducted an impactful online anti-drug awareness programme specifically for students.

IG Mr. A. Ravikrishna addressed the participants virtually, highlighting the severe dangers of substance abuse. He urged the youth to stay away from drugs, emphasizing that they "ruin the lives of youngsters" and derail promising futures. This digital initiative aimed to empower students with the knowledge to make healthy choices and resist peer pressure.

10. World Water Day Celebrations

24.03.2026

REPORT ON WORLD WATER DAY CELEBRATIONS

Date: March 24, 2026

Venue: KTS Govt. Degree College

Organized by: Department of Physics

Overview:

KTS Govt. Degree College observed World Water Day on March 24, 2026, with a special program aimed at raising awareness about water conservation. The event was organized by the Department of Physics and saw active participation from both students and faculty members.

Chief Guest Address: The Incharge Principal, **Dr. K. Lakshminarayana**, attended as the Chief Guest. In his address, he emphasized the critical "need of saving water," highlighting that responsible usage today is the only way to ensure water security for future generations.

Departmental Insight: Faculty from the **Department of Physics** led the technical session. They enlightened the students on the physical significance of water and its indispensable role in sustaining human life and biological processes.

Student Engagement: The session included discussions on practical methods to reduce water wastage within the college campus and at home.

Conclusion:

The program successfully sensitized the students toward the global water crisis. The Department of Physics concluded the event by encouraging students to act as "water ambassadors" in their respective communities.

11. Field Visit by Telugu Dept 26.04.2026

The Telugu Department of KTS Government Degree College organized a field trip to Vipramalai Narasimha Swamy Temple. The temple is located about 8 kilometers from Rayadurgam, and it is a well-known spiritual and cultural site in the region. The visit was conducted to provide students with both cultural awareness and practical learning experience.

The field trip started from the college in the morning. Students and faculty members traveled together to the temple. Upon reaching, the group observed the temple structure, surroundings, and spiritual atmosphere.

The temple is situated in a peaceful location, surrounded by natural beauty. Students participated in prayers and learned about the importance of Lord Narasimha in Telugu culture. Faculty members explained the history, legends, and significance of the temple.

Students also noted the architectural style and discussed how temples play an important role in preserving culture and traditions.

Objectives of the Field Trip

- *To understand the historical and cultural importance of the temple
- *To observe Telugu traditions and religious practices
- *To enhance students' knowledge beyond classroom learning
- *To encourage teamwork and interaction among students

Participants

Telugu Department Faculty Members

1.Sri.D.Narayana

2. Dr.K.Mallikarjuna

Students of KTS Government Degree College

The field trip to Vipramalai Narasimha Swamy Temple was informative and enriching. It helped students connect theoretical knowledge with real-life experience. The trip was successfully conducted under the guidance of the Telugu Department and proved to be a valuable educational experience.

12. Inter University Selections-KHO-KHO

SPORTS NEWS

Inter University Competitions have been finalized and listed out by SK University, Ananthapuram for the academic year 2025-26.

In this context, two students, **Pallavi, III B.Sc** and **Vasantha I B.Sc** from KTS Govt Degree College, Rayadurg have been short listed to participate in the KHO-KHO event on behalf of SK University.

They are going along with the University team and participate in the Inter University Competitions to be held at Davanagiri University, Shivagangotri, Tolahunse, Davangere, Karnataka

The Principal, Dr S Sreenivasulu, Vice Principal, Dr. K. Lakshmi Narayana, and Physical Director Prasanth have congratulated the players and wished them good luck for the upcoming tournament

13. చలివేంద్రం Inaugurated by NCC

Unit 28.03.2026

In a commendable display of social responsibility, the NCC unit of KTS Government Degree College, Rayadurg, has launched a **Chalivendram** (drinking water point) to provide relief to civilians during the intense summer heat. The facility was established at the main circle near the college campus, a high-traffic area for commuters and locals.

The water point was formally inaugurated by the **Sub-Inspector of Police, Rayadurg Police Station**. Speaking at the event, the Sub-Inspector lauded the NCC cadets for their proactive approach to community service. He emphasized that such initiatives are vital during the scorching summer months when dehydration is a serious concern for daily laborers and travelers. The program was organized under the guidance of **NCC CTO J. Kiran**, whose leadership encouraged the cadets to "come forward and help the thirsty." The event saw active participation from:

Student Impact

By setting up this water point, the NCC unit continues to uphold the core values of the National Cadet Corps—**Unity and Discipline**—while fostering a spirit of selfless service among the youth of Rayadurg.

14. Awareness Programme on Computer Skills by CA & Science Depts

The Department of Computer Applications and Science organized an Awareness Program on Computer Skills for Careers in the Software Industry in collaboration with AT&T Communications Private Limited. The program was conducted with the primary objective of motivating learners to pursue relevant certifications, guiding them in building effective resumes, and highlighting career opportunities along with the essential skills required in the software industry. The Principal, in his address, emphasized the growing importance of computer skills and encouraged students to continuously upgrade their knowledge to meet industry demands. Faculty member H. Fareesa Firdose highlighted the need for strong programming skills, practical exposure, and expertise in Artificial Intelligence to succeed in today's competitive environment.

THANK YOU
