

VEGETABLE GARDEN MAINTENANCE

KTS GOVT. DEGREE COLLEGE, RAYADURG

DEPARTMENT OF BOTANY

ACDEMIC YEAR- 2024-25

In our KTS Govt. Degree College the Department of Botany and NSS jointly maintaining a “VEGETABLE GARDEN” in the Botanical Garden. Botany students & NSS volunteers regularly participate in the maintenance of the Veg-garden. Students come to the college half an hour in advance and involve in the activities of garden.

Vegetables plants nearly 10-15 species are cultivating in the garden. They are like Tomato, Chilli, Brinjal, leafy vegetables like fenugreek, palak, coriander, etc. we grow the plants in Organic method. It is purely Organic farming, without using any chemical pesticides.

After growing the vegetables, we the staff members and students of the college purchase them and the fund generated is utilised for the garden maintenance. We maintain a receipt book for the fund generated from the garden.
